DESCRIPTION AND PURPOSE OF ITEM

This item identifies each improvement made to a section of highway.

This information, along with the construction route, is used to identify construction plans pertaining to a section of highway.

This item can be obtained from construction plans, the Bureau of Project Implementation "Monthly Construction Report" or local agency documentation. If in question, contact the district Bureau of Local Roads and Streets or Project Implementation.

CODE AND SCREEN ENTRY INSTRUCTIONS

A 45-digit alphanumeric field, left justified, including letters, numbers, special characters and spaces.

Omit the word "Section" and enter the number exactly as it appears on construction plans.

Example

90-(109-1,110,109HB)

Description

Section 90-(109-1,110,109HB)
